

Desirée Strand

DIGITAL DESIGNER

Experience

2021

MEDIA DESIGNER

Spånga-Tensta city district administration's department for elderly care, disability and mental illness

- Close team collaboration in user-centered design activities such as user research, brainstorming, prototyping and user testing to develop *Internetskolan*, a lesson-based website that counteracts the digital exclusion of the elderly.
- Creation of copy and illustrations for the *Internetskolan* prototype to show how to engage and benefit the user's learning process.
- UI and web design for the *Internetskolan* prototype, focusing on general content structure, navigation elements and graphic details.

2018

GRAPHIC DESIGNER

School magazine of Wendela Hebbegymnasiet

- Head of design of the school magazine, with a holistic responsibility for the group's collective result.
- Creation of text and image layout in Adobe InDesign.

2017–2018

PR MANAGER

Wendelakåren (Student body of Wendela Hebbegymnasiet)

- Responsibility and creation of both printed and digital marketing materials, such as posters, image and video content to communicate the student body's activities to members and non-members.
- Creation of the logotype of Wendelakåren.
